- Hands-on experience in **project management and consulting**, working on **academic and nonprofit projects** with tight deadlines and problem-solving challenges.

- Strong **planning and problem-solving skills**, with a good understanding of teamwork and business processes.

- Experienced in **full-stack project development**, including JWT-based authentication and database integration..

EDUCATION

Lendi Institute of Engineering and Technology   Jonnada, Vizianagaram
Bachelor of Technology in Computer Science   May 2022-2026

- CGPA: 8.28

- Relevant Coursework: Data Structures & Algorithms, Operating Systems, Cloud Computing, DBMS

Glimpses Junior college   Dwaraka, Vishakapatnam
Intermediate in MPC   June 2020-2022

- Marks: 779/1000
  Relevant Coursework: Math , Physics, Chemistry

TECHNICAL SKILLS

- **Programming Languages**: C, Java, JavaScript

- **Frameworks & Technologies**: Spring, Hibernate, React js, Nodejs, .

- **Cloud Platforms**: AWS,

- **Databases**: MySQL/ SQL Server, MongoDB, Firebase

- **Tools & Analytics:** Git, GitHub, Power Bi.

PROJECT EXPERIENCE

1. Voice Of JavaDev
Tech Stack: React.js , Java, SQL, JSP, Spring Boot

- Built a platform for Java developers to publish blogs and podcasts.

- Integrated advanced search for Java libraries, tools, and frameworks.

- Secured user access with JWT authentication and role-based permissions.

- Deployed using Docker containers on AWS for scalable performance.

2. Banking Management System
Tech Stack: Java, Spring Boot, React.js, MySQL, JWT Authentication

- Implemented secure login & registration using JWT with Spring Security.

- Developed modules for account creation, balance inquiry, deposits, withdrawals, and fund transfers.

- Focused on clean UI/UX and role-based access for customers and admins.

Workshops & Internships

- **Spring Boot Workshop** – Learned about REST APIs, JWT authentication, and backend integration.

- **Power BI Workshop** – Data visualization, dashboard creation, and business analytics fundamentals.

- **Prodigy Infotech Internship** – Worked on web development projects, focusing on responsive UI design,

  JavaScript functionalities, and real-time data handling.

HONORS & INVOLVEMENT

- Infosys Spring Board– Front-End Web Developer CERTIFICATE   Jan 2025 – Mar 2025

- AICTE & Edu Skills Academy– Java Full Stack Developer CERTIFICATE   July 2024 – Sep 2024

-

HOBBIES & INTERESTS

- Exploring Emerging Tech Trends.

- Filmmaking and Video Editing.
